Prices are not guaranteed. Invertebrates and dry goods pricing is entirely invalid.

Ordering

Check our livestock arrivals calendar for a Quality Marine fish order. For every order date, there will be a "Orders due in by" date. Submit your special orders before this time. For best fill rate, check the availability list and submit special orders shortly before the cut-off time.

Make sure you're on our email list so that you receive a copy of our arrival list when the order comes in. We will not hold an item to be picked up.

We cannot order corals, clams, seahorses, or live rock from this supplier.
